The following information is provided pursuant to the requirements of NRS 233B.0603:

1. Purpose and need for the proposed regulation
To comply with the Division's statutory duty to carry out the provisions of NRS 645B and to conform with and implement revisions made to the law governing the licensing and regulation of mortgage brokers and mortgage agents, as enacted by Assembly Bill 480 of the 2015 Session of the Nevada Legislature ("AB 480"), thereby adding to, revising, and repealing various provisions of the NAC governing the licensing and regulation of mortgage brokers and mortgage agents.
2. Description of proposed regulation and the manner in which approved or revised text of the proposed regulation prepared by the Legislative Counsel Bureau ("LCB") may be obtained
Authority: NRS 645B.060(2).

Regulations proposed for adoption and amendment are stated in the attached Proposed Regulation of the Commissioner of Mortgage Lending, LCB File No. R125-16. The proposed regulations are those which include measures to:

- Impose specified requirements upon a mortgage broker who acts as a mortgage servicer under certain circumstances;
- Incorporate the term “control person” into existing regulations;
- Expand the Commissioner’s interpretation of the term “complete and suitable records” as provided in existing regulations;
- Expand the Commissioner’s authority for purposes of conducting an examination, investigation or periodic or special audit of a mortgage broker;
- Define the “verifiable experience” required for licensure as a mortgage broker and for designation as a qualified employee of a mortgage broker;
- Increase the fee required of a mortgage agent who wishes to change the mortgage broker with whom the mortgage agent is associated;
- Require certain mortgage brokers, based upon a specified annual volume of loans reported to the Commissioner, to pay an annual supervision fee to the Commissioner;
- Revise provisions relating to the maintenance of mortgage broker records and allow such records to be maintained in electronic format under specified conditions; and
- Revise the standard of proof for hearings conducted pursuant to Chapter 645B of the Nevada Revised Statutes.

Access to the approved or revised text of the proposed regulations prepared by the LCB pursuant to NRS 233B.063, may be obtained by visiting the website of the Nevada Legislature at <http://www.leg.state.nv.us>, hovering over the term “Law Library,” hovering over the term “Nevada Register,” clicking upon the term “Browse,” and then clicking upon the term “Numerical Index” appearing under the category “2016 Regulations.” Access may then be obtained by scrolling down the list of LCB File Numbers to seek “R125-16,” or by performing a “search” function specifying LCB File Number R125-16 and clicking upon the item(s).

3. Statement of estimated economic effect of the proposed regulation on the business of escrow agencies and escrow agents and upon the public

The Division does not foresee any adverse effects of the proposed regulation (whether immediate or long term) to either the business of a mortgage broker (or its agents) or to the public.

The Commissioner has determined that while the proposed regulation may have a minor adverse economic impact on small business due to an increase to the mortgage-agent change of association fee (section 17 of AB 480 expressly amending NRS 645B.430(4) to mandate a fee increase) and implementation of an annual supervision fee upon certain mortgage brokers, the fees are necessary to ensure the effective and efficient operation of the Division in carrying out its mission to protect consumers without discouraging economic growth. Since 2008, the statutory revenue structure has been insufficient to appropriately fund the Division’s ongoing staffing needs and support costs required to carry out its responsibilities.

The fees imposed will enable the Division to develop a revenue structure that provides a long-term funding solution.

To reduce the adverse impact of the proposed regulation on small business, the Division conducted an analysis of the fees under its existing licensing programs and those assessed by other licensing jurisdictions, as well as solicited comment from stakeholders in order to establish a fair fee structure.

The Division anticipates that both the immediate and long-term beneficial effects of the proposed regulation will protect the health and welfare of Nevadans without unnecessarily burdening business activity.

4. Statement identifying the methodology used by the Division in determining the impact of the proposed regulation upon a small business

Through e-mail notification to its current licensees under NRS 645B, NRS 645BE (with respect to mortgage bankers) and other interested parties, the Division sent a copy of the proposed regulation and solicited comments on whether the proposed revisions to NAC 645B would have any direct and significant impact on a small business, or would otherwise restrict the formation, operation, or expansion of a small business. The e-mail, as directed to 341 such recipients, was additionally posted on the Division's website, the State's official website, and at the Division's offices. In addition, the Division reached out to a variety of stakeholders, including the Nevada Mortgage Lenders Association and the Advisory Council on Mortgage Investments and Mortgage Lending, from which the Division received comments, suggestions, and feedback. Based upon the discussions and consideration of the issues raised, and following the workshop process, the Commissioner determined that the proposed regulation does not impose a significant and direct burden upon a small business or restrict the formation, operation, or expansion of a small business.

5. The estimated cost to the agency for enforcement of the proposed regulation

The Division estimates that the proposed regulation will result in minimal costs to the agency for enforcement as they can be incorporated into the agency's existing billing and collection process, as well as initiated through the Nationwide Mortgage Licensing System and Registry.

6. Overlap or duplication with other state, local governmental or federal agencies

Not applicable.

7. Existence of federal-law requirement for proposed regulation or whether proposed regulation includes more stringent provisions than required by federal regulation governing same activity

None known at the time of this posting.

8. Establishment of new fee or increase to existing fee

The mortgage agent change of association fee has been increased from \$10.00 to \$50.00.

A new fee, in the form of an annual charge for supervision, shall be collected from certain mortgage brokers based upon the specified annual volume of loans reported by the mortgage broker to the Commissioner.
