The licensing and regulation of mortgage brokers and mortgage agents in the State of Nevada is governed by Chapter 645B of the Nevada Revised Statutes ("NRS") and Chapter 645B of the Nevada Administrative Code ("NAC"). The State of Nevada, Department of Business and Industry, Division of Mortgage Lending (the "Division") has the general duty to exercise supervision and control over mortgage brokers and mortgage agents, as well as mortgage broker and mortgage agent activity. See, NRS 645B.060(1), NRS 645B.670 and NRS 645B.690. Pursuant to that authority, the Division makes the following Factual Allegations, Violations of Law, and Initial Order, as follows:

**FACTUAL ALLEGATIONS**

1. Kemper Mortgage, Inc. ("Respondent") is an Illinois corporation. On July 21, 2005, Respondent was issued a mortgage broker license pursuant to Chapter 645B of NRS. Respondent operated within the State of Nevada as a licensed mortgage broker until its license expired on June 30, 2008, for failure to renew. See, NRS 645B.050(1). The Division currently classifies Respondent's license as closed. All factual allegations occurred while Respondent held an active mortgage broker license.

1           2. Pursuant to NRS 645B.060, the Commissioner shall exercise general supervision  
2 and control over mortgage brokers and mortgage agents doing business in this State and, "is  
3 charged with conducting...such investigations as may be necessary to determine whether any  
4 person has violated any provision of this chapter, a regulation adopted pursuant to this chapter  
5 or an order of the Commissioner." See, NRS 645B.060(2)(c).

6           3. Pursuant to NRS 645B.610, if a person properly files a complaint with the Division,  
7 the Division is further charged with investigating "...each violation alleged in the complaint..."  
8 and the Division "...shall determine from the investigation whether there is reasonable cause to  
9 believe that the person committed the alleged violation...." See, NRS 645B.610(1), (3).

10           4. On April 24, 2007, the Division received a complaint from a widow, Ms. Dorothy S.  
11 Warren, alleging that a deceptive advertisement had been sent to her husband who had been  
12 dead for more than 23 years. The advertisement referenced a "Personal Identification  
13 Number" as well as a reduction of her deceased husband's mortgage payment, but there was  
14 no mortgage on the home.  
15

16           5. By letter dated July 12, 2007, addressed to Respondent, Supervisory Examiner  
17 Sheila Walther of the Division advised Respondent that "...NRS 645B.189 prohibits deceptive  
18 advertising. Making statements regarding false sources of receipt of information, misleading  
19 recipients that the mailing was sent from another entity, indicating the mailing is related to a  
20 'New Pin Number', promoting that the recipient is qualified for a limited program now available  
21 due to changes in government guidelines that only entails a call to begin 'processing their new  
22 payment' appear deceptive...."

23           6. The Division received a complaint from John Nelson in June 2007, alleging that he  
24 had received an advertisement from Respondent which referenced the enclosure of a "New  
25 PIN." By letter dated August 7, 2007, addressed to Respondent, Sheila Walther, Supervisory  
26 Examiner of the Division, advised Respondent that that verbiage "...would indicate that the  
27  
28

1 correspondence is related to an existing account, not a new solicitation, and is deceptive...."

2 The Division instructed Respondent to "cease and desist use of this term immediately from  
3 any further correspondences." Further, notwithstanding written assurances from Respondent  
4 that Mr. Nelson had been removed from their mailing list, Mr. Nelson received an additional  
5 solicitation.

6 7. On or about September 27, 2007, the Division received two additional complaints  
7 alleging deceptive advertising by Respondent. Senior Investigator Tony Frascarelli of the  
8 Division advised Respondent in an October 5, 2007 e-mail that use of solicitations utilizing an  
9 unaffiliated entity's name was deceptive under NRS 598.  
10

11 8. After receiving the complaints regarding Respondent, the Division commenced an  
12 investigation and determined the following:

13 a. RESPONDENT had engaged in a pattern of deceptive trade practices, as  
14 defined in NRS 598.0915, and a pattern of deceitful, fraudulent or dishonest business  
15 practice by publishing and disseminating advertisements where Respondent had knowingly  
16 made false representations as to an existing account by referencing a Personal Identification  
17 Number or the enclosure of a "New PIN" number and false representations as to an affiliation,  
18 connection or association with another entity where no such affiliation, connection or  
19 association existed, in violation of NRS 645B.189(4)(a), NRS 645B.670(2)(o) and NRS  
20 598.0915(3) and (15); and  
21

22 b. Respondent continued to engage in a pattern of deceptive trade practices  
23 through its advertising material, even after being advised by the Division to cease and desist  
24 from these activities.

25 9. The Division discovered during the course of investigating another complaint  
26 against Respondent that Respondent had hired Brad Carr ("Carr") as a full-time,  
27 commissioned mortgage agent on February 5, 2007. However, Carr did not submit a  
28

1 mortgage agent application to the Division pursuant to NRS 645B.410 until June 22, 2007.  
2 Respondent paid commissions to Carr on three loans originated and closed prior to Carr's  
3 licensure, in violation of NRS 645B.450(2).

4 10. On June 12, 2008, the Division commenced its annual examination of  
5 Respondent. The examination concluded on or about August 5, 2008. During the  
6 examination, the Division discovered violations of laws and regulations by Respondent, as  
7 follows:

8 a. Respondent failed to submit to the Division an annual financial statement for  
9 fiscal year 2007 prepared from Respondent's books and records by a Nevada licensed  
10 independent public accountant, as required by NRS 645B.085. b.

11 Respondent failed to submit monthly activity reports for the months of October 2007 through  
12 August 2008, as required by NRS 645B.080(2) and NAC 645B.070(1).  
13

14 c. Respondent failed to pay the fiscal year 2008 certified public accountant  
15 assessment in the amount of \$71.50 plus the 10% late fee in the amount of \$7.15, as  
16 required by NAC 645B.064.  
17

18 d. Respondent failed to pay the fiscal year 2008 Attorney General assessment  
19 in the amount of \$560.44 plus the 10% late fee in the amount of \$56.04, as required by NRS  
20 645F.290.

21 e. Respondent failed to pay the 2008 examination fee in the amount of  
22 \$3,180.00 plus the 10% late fee in the amount of \$318.00, as required by NAC 645B.060.

23 f. During the examination, Respondent failed to provide all documentation  
24 required to complete the examination, including the completed Manager's Questionnaire, 12  
25 months of quick books complete with descriptions on all transactions, copies of complete  
26 payroll records to include copies of 1099's and/or W2's, a copy of an interim financial  
27 statement from the latest month end, a list of warehouse lines of credit reflecting with whom,  
28

1 the amount of each and a copy of the contracts and the last 15 denied or withdrawn files, as  
2 required by NAC 645B.072.

3 g. The loan files reviewed were also missing "complete and suitable records," as  
4 required by NAC 645B.072(1). The items that were missing from the loan files included the  
5 following: 1 loan file did not contain a copy of the note; 11 loan files did not contain copies of  
6 the recorded deeds of trust; 12 loan files did not contain copies of the final title policies; 2 loan  
7 files did not contain copies of the appraisals; 3 loan files did not contain copies of the lender  
8 approvals; 2 loan files did not contain copies of the final settlement statements; 5 loan files  
9 did not contain copies of the credit score notices; 1 loan file did not contain a copy of the FHA  
10 loan analysis; and 1 loan file did not contain a copy of the complete loan application.  
11

12 h. Based upon settlement statements in 8 loan files reviewed, Respondent  
13 charged and collected discount fees. However, the fees did not buy down the interest rates  
14 and there were no services performed specific to this fee, in violation of Regulation X, 24 CFR  
15 §3500.14(c).  
16

17 i. In 2 of the loan files reviewed, Respondent disclosed an inaccurate annual  
18 percentage rate and provided incomplete Truth in Lending disclosures, in violation of  
19 Regulation Z, federal Truth in Lending Act, 12 CFR §226.18(e).  
20

### 21 VIOLATIONS OF LAW

22 Having investigated Respondent's activities, as more fully set forth above, the Division  
23 has found that Respondent violated NRS 645B.189(4)(a), NRS 645B. 670(2)(o), NRS  
24 598.0915(3) and (15), NRS 645B.080(1) and (2), NRS 645B.450(2), NRS 645B.085, NAC

27 follows:

1 engaging in a pattern of deceptive trade practices and a pattern of deceitful, fraudulent or  
2 dishonest business practice by publishing and disseminating advertisements where  
3 Respondent knowingly made false representations as to an existing account or affiliations,  
4 connections or associations, and continued these practices after being advised by the  
5 Division to cease and desist.

6 2. Respondent violated NRS 645B.450(2) by compensating an unlicensed  
7 mortgage agent.

8 3. Respondent failed to submit to the Division an annual financial statement for  
9 fiscal year 2007 prepared from Respondent's books and records by a Nevada licensed  
10 independent public accountant, in violation of NRS 645B.085.
