EXHIBIT “1”

In re:
The Consumer Advocacy Group and
Kristy Sinsara,
Respondents.

The licensing and regulation of loan modification consultants, foreclosure consultants and other persons providing 'covered services,' as defined in Nevada Revised Statutes (hereinafter "NRS") 645F.310, in the State of Nevada is governed by Chapter 645F of NRS and is also governed by the permanent regulation R052-09 promulgated pursuant thereto which was adopted on August 25, 2009 (hereinafter the "Regulation"). Effective July 1, 2009, the State of Nevada, Department of Business and Industry, Division of Mortgage Lending (hereinafter the "Division") has the general duty to exercise supervision and control over covered service providers, foreclosure consultants and loan modification consultants. See Chapter 645F of NRS and the Regulation. Pursuant to that authority, the Division makes the following Factual Allegations, Violations of Law, and Order, as follows:

1. Based upon information and belief, and at all relevant times herein mentioned, The Consumer Advocacy Group (hereinafter "Respondent CAG") was and is a domestic non-profit corporation organized and existing under the laws of the State of Nevada since approximately December 29, 2009 with offices at 2920 N. Green Valley Parkway, Building 3, Suite 312, Henderson, Nevada 89014. Currently, Respondent CAG's status with the

1 Secretary of State is "active."

2 2. Based upon information and belief, and at all relevant times herein mentioned,
3 Respondent CAG has never been and is not a 501(c)(3) tax-exempt, nonprofit corporation or
4 association as defined and classified by the Internal Revenue Service ("IRS").

5 3. Based upon information and belief, and at all relevant times herein mentioned,
6 Kristy Sinsara (hereinafter "Respondent Sinsara") is an individual who was and is the
7 President of Respondent CAG, and who acted and continues to act as an agent or person
8 employed by, or associated with, Respondent CAG.

9 4. Based upon information and belief, at all relevant times herein mentioned,
10 Respondents CAG and Sinsara (hereinafter collectively "Respondents") advertised services
11 as, provided services of, engaged in, carried on or held themselves out as engaging in or
12 carrying on, and continue to advertise services as, provide services of, engage in, carry on or
13 hold themselves out as engaging in or carrying on, the activities of a loan modification
14 consultant, foreclosure consultant or covered service provider relating to properties in
15 Nevada.

16 5. Neither Respondent CAG nor Respondent Sinsara has ever been issued a
17 license by the Division as a covered service provider, foreclosure consultant or loan
18 modification consultant, whether as an independent licensee or as an associated licensee,
19 pursuant to Chapter 645F of NRS and the Regulation.

20 6. Pursuant to the Regulation, "[w]hether or not a complaint has been filed, the
21 Commissioner may investigate a licensee or other person if, for any reason, it appears
22 that...[t]he licensee or other person is offering or providing any of the services of a covered
23 services provider, foreclosure consultant or loan modification consultant or otherwise
24 engaging in, carrying on or holding himself out as engaging in or carrying on the business of a
25 covered services provider, foreclosure consultant or loan modification consultant without
26
27
28

1 being appropriately licensed or exempt from licensing pursuant to the provisions of this
2 chapter or chapter 645F of NRS....” See Section 105(1)(b) of the Regulation.

3 7. Pursuant to NRS 645F.310, “covered service” includes, without limitation:

4 1. Financial counseling, including, without limitation, debt counseling and budget counseling;
5 2. Receiving money for the purpose of distributing it to creditors in payment or partial
6 payment of any obligation secured by a mortgage or other lien on a residence in foreclosure;
7 3. Contacting a creditor on behalf of a homeowner; 4. Arranging or attempting to arrange for
8 an extension of the period within which a homeowner may cure a default and reinstate an
9 obligation pursuant to a note, mortgage or deed of trust; 5. Arranging or attempting to
10 arrange for any delay or postponement of the time of a foreclosure sale; 6. Advising the filing
11 of any document or assisting in any manner in the preparation of any document for filing with
12 a bankruptcy court; and 7. Giving any advice, explanation or instruction to a homeowner
14 which in any manner relates to the cure of a default in or the reinstatement of an obligation
15 secured by a mortgage or other lien on the residence in foreclosure, the full satisfaction of the
16 obligation, or the postponement or avoidance of a foreclosure sale.

17 8. Pursuant to the Regulation, “[a] person shall not advertise services as, provide
18 any of the services of, act as or conduct business as a covered service provider, foreclosure
19 consultant or loan modification consultant or otherwise engage in, carry on or hold himself out
20 as engaging in or carrying on the activities of a covered service provider, foreclosure
21 consultant or loan modification consultant unless the person has a license as a covered
22 service provider, foreclosure consultant or loan modification consultant, as applicable, issued
23 pursuant to this chapter and chapter 645F of NRS.” See Section 17 of the Regulation.

24 9. Pursuant to the Regulation, “[i]t is unlawful for any person to provide or offer to
25 provide any of the services of a covered service provider, foreclosure consultant or loan
26 modification consultant or otherwise to engage in, carry on or hold himself out as engaging in
27
28

1 or carrying on the business of a covered service provider, foreclosure consultant or loan
2 modification consultant without first obtaining the applicable license issued pursuant to this
3 chapter and chapter 645F of NRS, unless the person" is exempt from licensing and complies
4 with the requirements for that exemption. See Section 102 of the Regulation.

5 10. On or about September 29, 2009, the Division learned that Respondent CAG
6 was offering to provide the services of a covered service provider, foreclosure consultant or
7 loan modification consultant, or otherwise engaging in, carrying on or holding itself out as
8 engaging in or carrying on the business of a covered service provider, foreclosure consultant
9 or loan modification consultant at a website at www.nevadawgroup.com (a true and correct
10 copy of which is attached hereto as Exhibit "A" and incorporated herein by reference as
11 though set forth in full).

13 11. Division investigator TF sent two letters, dated October 1, 2009 and
14 December 24, 2009, respectively (true and correct copies of which are attached hereto as
15 Exhibit "B" and incorporated herein by reference as though set forth in full), which advised
16 that Respondent CAG did not have an active covered service provider, foreclosure consultant
17 or loan modification consultant license, and was not exempt from licensing pursuant to the
18 provisions of the Regulation or chapter 645F of NRS, and must immediately cease and desist
19 from the provision of or offer to provide any of the services of a covered service provider,
20 foreclosure consultant or loan modification consultant, or from or otherwise engaging in,
21 carrying on or holding itself out as engaging in or carrying on the business of a covered
22 service provider, foreclosure consultant or loan modification consultant.

24 12. On or about January 25, 2010, the Division received a copy of a consumer
25 Engagement Agreement (a true and correct copy of which is attached hereto as Exhibit "C"
26 and incorporated herein by reference as though set forth in full) between said consumer and
27 Respondent CAG which specified the terms of a loan modification to be performed for
28

1 compensation in the amount of Seven Hundred Dollars and No Cents (\$700.00) to be paid
2 "by personal check, money order or cashier's check...payable to Consumer Advocacy
3 Group."

4 13. On or about February 5, 2010, Division Investigator TF again sent Respondent
5 Sinsara written correspondence (a true and correct copy of which is attached hereto as
6 Exhibit "D" and incorporated herein by reference as though set forth in full) which advised that
7 Respondent CAG did not have an active covered service provider, foreclosure consultant or
8 loan modification consultant license, and was not exempt from licensing pursuant to the
9 provisions of the Regulation or chapter 645F of NRS.
10

11 14. On or about March 18, 2010, the Las Vegas Review Journal newspaper
12 published an article (a true and correct copy of which is attached hereto as Exhibit "E" and
13 incorporated herein by reference as though set forth in full) wherein Respondent Sinsara
14 represented that Respondent CAG "charges \$250 per hour to attend [home foreclosure]
15 mediations."

16 15. On or about March 31, 2010 the Division received a copy of an "Authorization to
17 Negotiate" (a true and correct copy of which is attached hereto as Exhibit "F" and
18 incorporated herein by reference as though set forth in full) on behalf of homeowner LWB
19 which authorized Respondent CAG "to assist [LWB] in the modification and/or loan
20 renegotiation process..." with LWB's lender.
21

22 16. On or about April 6, 2010, Division employee SS sent Respondents written
23 correspondence (a true and correct copy of which is attached hereto as Exhibit "G" and
24 incorporated herein by reference as though set forth in full) advising that the Division
25 requested Respondents' response to allegations and/or information that Respondents
26 provided, and continued to provide, loan modification services for compensation in violation of
27 NRS 645F and the Regulation. As a result of said request, Division investigators DK and TF
28

1 held a meeting with Respondent on or about May 5, 2010, wherein Respondents admitted
2 performing loan modifications for compensation from approximately July 2009 to the time of
3 the meeting, and agreed to provide the Division with a list of all clients and related fees from
4 July 1, 2009 to the time of the meeting.

5 17. On or about May 13, 2010, Respondent Sinsara sent written correspondence to
6 the Division again indicating that she would comply with the Division's request for a list of all
7 clients and related fees (a true and correct copy of which is attached hereto as Exhibit "H" and
8 incorporated herein by reference as though set forth in full). To date, Respondents have
9 failed to provide any such list or information.
10

11 18. As a result of receiving the above-information, the Division conducted an on-
12 going investigation between approximately September 2009 and May 2010 which revealed,
13 among other things, that:

14 a. From approximately September 2009 to July 2010, and continuing in the
15 present, Respondents offered to provide, or provided, for compensation, services to obtain
16 mortgage loan modifications, prevent foreclosures or provide other covered services, as
17 defined in NRS 645F.310;
18

19 b. Neither Respondent CAG nor Respondent Sinsara has ever applied for
20 or been issued a license by the Division as a loan modification consultant, foreclosure
21 consultant or covered service provider (whether as an independent licensee or associated
22 licensee), pursuant to Chapter 645F of NRS and the Regulation; and

23 c. At all relevant times herein mentioned, neither Respondent CAG nor
24 Respondent Sinsara was or is exempt from the licensing requirements of Chapter 645F of
25 NRS and the Regulation.
26

27 19. Pursuant to the Regulation, "[f]or each violation committed by a person who
28 engages in an activity for which licensure as a covered service provider, foreclosure

1 consultant or loan modification consultant is required under this chapter and chapter 645F of
2 NRS, without regard to whether the person is licensed under this chapter and chapter 645F of
3 NRS, the Commissioner may impose upon the person an administrative fine of not more than
4 \$10,000...if the person...[d]oes not conduct business in accordance with law or has violated
5 any provision of this chapter or chapter 645F of NRS or any order of the Commissioner...[or]
6 [has offered or provided any services prescribed under this chapter or chapter 645F of NRS
7 requiring licensure and the person did not have such a license and was not exempt from
8 licensing at the time the person engaged in the activities...." See Sections 103(3)(c) and (w)
9 of the Regulation.

10
11 20. Pursuant to the Regulation, "[i]f a person engages in an activity in violation of
12 the provisions of this chapter or chapter 645F of NRS or an order of the Commissioner, the
13 Commissioner may issue an order directing the person to cease and desist from engaging in
14 the activity." See Section 108(1) of the Regulation.

15 VIOLATIONS OF LAW

16 After investigation, the Division determined that, at all relevant times herein mentioned,
17 Respondents, and each of them, offered or provided services of a covered services provider,
18 foreclosure consultant or loan modification consultant or otherwise engaged in, carried on or
19 held themselves out as engaging in or carrying on the business of a covered services
20 provider, foreclosure consultant or loan modification consultant without having applied for
21 and/or been issued a license by the Division and without being exempt from licensing
22 pursuant to the provisions of Chapter 645F of NRS or the Regulation, in violation of Chapter
23 645F of NRS and Sec. 17, 103(3)(c) and 105(1)(b) of the Regulation.
24

26 NOW, THEREFORE, THE COMMISSIONER OF THE DIVISION HEREBY ORDERS,

EXHIBIT “A”

- In February of 2009, 74,000 homes were foreclosed nationwide
- Experts predict that the total housing market decline will reach 52% nationwide by the end of 2009
- Many homeowners have "Negative Equity"
- Purchased your home for \$500k, still owe \$500k
- Current fair market on your home is only \$250k - \$300k

Many people come to Nevada Law Group seeking answers and solutions to these types of negative equity and foreclosure problems. Unfortunately, our clients who are "under water" in their home are not alone, in fact, 1 in 8 homeowners in the US are "late" or in "foreclosure" as of March 2009. 1 in 3 homes mortgages in the US are "adjustable rate mortgages" or ARM's, and these types of loans, and their cousins, "negative amortization" or NEG-AM loans are the cause of much of the upheaval in the housing and financial markets today.

We frequently get asked if any of the programs being utilized by the Government will help. The answer is almost always no. The current stimulus plans do nothing for most of the people who are in the worst shape, for instance, you don't qualify presently if:

- Your properties were investments and not owner/occupied.
- Your underwater by more then 105%
- Your loan exceeds \$417k
- Your loan is not with Fannie Mae or Freddie Mac

The other major issue we hear about regularly are the clients who want to work with their bank, lender, or servicing company, to stay in their home, and instead are tricked, denied outright, or just flat out told no.

The Nevada Law Group has partnered with the Consumer Advocacy Group in the processing of our clients loan modifications. In general, a loan modification is typically the right answer for a majority of our clients. While the use of a law firm or company is not required for a loan modification, many of our clients hire us to accomplish this for them due to frustration and anger with the process.

For anyone, no matter who you are, or what condition your finances are in, you generally will receive one of 6 options from your mortgage lender or servicing company. These 6 options are discussed below:

Refinance

This is exactly what it sounds like, you get a new loan with new terms to pay off your old loan. Under the current stimulus plan, you may only borrow up to 105% of the appraised value on your home, so this doesn't help anyone who is underwater by 40% or more, which many homeowners today are. If your current, you can request a "forbearance" from your lender or servicing company, which is essentially just an agreement to let you not pay for a period of time, usually not longer then 6 months. This is designed to fix a temporary cash flow problem, such as a job loss or illness, but it doesn't address folks who have a permanent problem, such as a house wish is upside down by 50%.

Short Sale

With a short sale, your bank allows you to find a potential buyer for your home who is willing to pay the current fair market value and then the bank writes off the difference between the sales price and what you owe. This has a negative impact on your credit rating and if done incorrectly, can result in the homeowner receiving a bill or being sued for the difference the bank writes off. Up until recently, the difference which the bank wrote off was also considered income for tax purposes, however, the 1099 debt relief tax has been taken off the books at this time and this write off is no longer considered

Subject: Loan Modification and Foreclosure Consultants

Dear Sir/Madam:

It has come to the attention of the Division that your company may be providing loan modification and foreclosure consultant services to Nevada residents without proper licensure as required by Nevada Revised Statute (NRS) 645F.

Assembly Bill 152 of the 2009 Legislative Session added extensive provisions to the law pertaining to "foreclosure consultants", "loan modification consultants" and the services such individuals and companies provide. Included in these provisions is the requirement that all persons and businesses performing such services become licensed with the Division of Mortgage Lending.

The permanent regulation became effective on August 25, 2009 and requires the applicant to post a bond and to complete pre-licensing and continuing education. Other provisions enacted include the requirement to provide the consumer with a written contract and the depositing of any money received from the consumer into a trust account. We recommend that you review NRS 645F and Regulation R-052-09 which may be found on the Division's website www.mld.nv.gov.

The Division requests that you cease and desist from conducting any loan modification or foreclosure consulting activities until such time as you submit the required application for licensing and you are notified by the Division that your application has been approved.

Subject: IRS Nonprofit Status

Dear Ms. Sinsara:

Thank you for your letter and supplemental information which we received on November 10, 2009. We have reviewed the information provided in which you explained both the details of your pending application for a 501(c)(3) exemption with the Internal Revenue Service as well as the inner workings of the Consumer Advocacy Group.

As you are no doubt aware, NRS 645F as amended by Assembly Bill 152 provides for an exemption from the statute for a nonprofit agency or organization that offers credit counseling to a homeowner of a residence in foreclosure or a person in default on a loan. It is the position of this Division that the exemption **does not** apply to entities that have applied for a 501(C)(3) exemption and are pending a decision by the IRS.

Until such time as the IRS makes a decision on your application, providing any of the covered services as defined in NRS Chapter 645F for a fee would require the Consumer Advocacy Group and its employees to become licensed by the Division and adhere to the provisions contained in the NRS, AB 152 and Regulation 052-09.

Should you wish to discuss this matter further, please feel free to contact me at 702-486-2002. For your information, Commissioner Waltuch will be out of the office from December 28, 2009 through January 4, 2010.

Sincerely,

Subject: IRS Nonprofit Status

Dear Ms. Sinsara:

Thank you for your letters of January 6 and January 11, 2010. We have reviewed your letters and information contained therein, including the letters of gratitude your group has received.

As previously stated in my December 24, 2009 letter to you, NRS 645F as amended by Assembly Bill 152 provides for an exemption from the statute for a nonprofit agency or organization that offers credit counseling to a homeowner of a residence in foreclosure or a person in default on a loan. The Division is firm in its position that the exemption **does not** apply to entities that have applied for a 501(C)(3) exemption and are pending a decision by the IRS. There is nothing in the regulation that would allow us to make an exception to this.

Until such time as the IRS makes a decision on your application, providing any of the covered services as defined in NRS Chapter 645F for a fee would require the Consumer Advocacy Group and its employees to become licensed by the Division and adhere to the provisions contained in the NRS, AB 152 and Regulation 052-09.

You expressed a desire to meet with the Commissioner to discuss this. If you still wish to meet, please call me upon receipt of this letter so we can discuss some possible dates. My contact number is 702-486-2002.

Sincerely,

Tony Frascarelli

The Dow Jones industrial average rose 48 points Wednesday in its seventh straight advance and closed at a new high for 2010. The gain means the Dow has joined the Standard & Poor's 500 index and Nasdaq composite index in reaching the 10,000 level.

Analysts said the transaction was done to restructure the company's debt and give MGM Mirage some financial flexibility.

The restated credit facility permits extension of a significant portion of our credit facilities," MGM Mirage Chief Financial Officer Dan D'Arrigo said in a statement. "These events significantly enhance the liquidity and maturity profile of our company."

Fresh & Easy opens its 27th LV store in northwest valley

Fresh & Easy Neighborhood Market opened its latest Nevada location Wednesday with a store on Centennial Center Boulevard north of Ann Road.

It is the 27th location in the Las Vegas area since the grocery store chain opened five local stores on Nov. 14, 2007. Fresh & Easy operates 147 stores in Nevada, California and Arizona.

Eight more stores are planned for the Las Vegas Valley, but no additional opening dates have been announced.

required information and documents.

However, lender attorney Michael Brooks said some homeowners fail to provide requested documents.

Michael Joe, a lawyer at the center, suggested that consumers need help preparing to represent themselves in mediation.

Legal Aid Center of Southern Nevada conducts free seminars on foreclosure mediation in cooperation with the William Boyd School of Law at the University of Nevada, Las Vegas.

But Joe criticized loan modification services for taking advantage of homeowners in foreclosure.

"I don't say (home-loan modification consultants) are all bad, but a lot of them are," he said. "Homeowners are desperate and scared. They don't know who to turn to."

Ian Hirsch, president of Fortress

Credit Services, a licensed loan modification consultancy, objected to a provision that might prohibit him from representing homeowners at mediation sessions although he often spends more than a year helping homeowners negotiate modifications.

"For us this is one step in a journey that sometimes takes over one year," Hirsch said.

Fortress Credit charges 1 percent of the loan amount but nothing additional to participate in mediation, he said.

Christy Sinsara, president of Consumer Advocacy Group, said her organization charges \$250 to attend mediation sessions. She also questioned the rule that could ban mortgage modification consultants from participating in mediation meetings, saying they were better equipped than many lawyers.

"It's a numbers game," she said.

Subject: Loan Modification Services

Dear Ms. Sinsara:

Please be advised that our Division has received information from consumers which indicate that your company is providing loan modification services to Nevada residents for compensation without proper licensure as required by Nevada Revised Statute 645 F.

We also note in the business section of the Las Vegas Review Journal that Consumer Advocacy Group assists homeowners with the mediation process for a \$250.00 fee. The Division's position is that providing this service without proper licensure is a violation of NRS 645F.310.

You have previously been advised by the Division that providing loan modification services for compensation requires that you either obtain a license with our Division or be exempt from licensing per NRS 645F.

Please provide a detailed written statement of what services your company provides and an explanation why you have not submitted the required application for licensing.

We request that you respond no later than **April 21, 2010**. It is required that your response be accompanied by the enclosed affidavit.

Failure to provide the requested information by the due date specified above may subject you to an administrative fine under the provisions of NRS/NAC 645F.

Please contact our Compliance Audit Investigator, **Denice Kelley**, who can be reached at 702-486-0782 if you have any questions.

Re: The Consumer Advocacy Group

Dear Denise and Tony:

I just wanted to say thank you again for taking the time out to meet with me yesterday. I know you are both incredibly busy right now and it meant a lot that you were willing to spend so much time with me helping to answer so many of my unanswered questions.

I was also extremely impressed and felt incredibly grateful towards your willingness to help our company. It is truly important to us that we remain, above all things, a leader for change in this industry. We have always been dedicated to helping as many homeowners as we can through our public education outlets. We strive to create real solutions for homeowners who wish to stay in their homes but whose lives and finances have been adversely affected by current events. We believe that our actions prove that our ultimate goal is to create as much change in our community as we can. We have also recently started a "do the right thing in the wrong economy" marketing campaign where we are calling on realtors and attorneys alike to join us in creating "change".

Having said all of this, however, I am well aware that others in our industry have complained about our company. I'm assuming they fall into one of the following three categories:

- (1) Attorneys or other loan modification companies.
- (2) Consumers that we have refused to work with, due to a fear of not being able to meet their expectations.
- (3) Former clients that receive and turndown loan modification offers, believe we haven't met their expectations, and should've been in category no. 2. ☺

Regardless of our critics or their agendas, we will continue to conduct ourselves in a professional and ethical manner, keeping our client's best interests above our own. I can

honestly say that The Consumer Advocacy Group is committed to their success first and foremost.

We are looking forward to moving forward as a company. I have spoken with several business associates in our community and they have all stated that the Commissioner is a very kind and fair man. We are also very much looking forward to working with him and troubleshooting through some of our issues we discussed yesterday.

I will get the numbers of clients that have retained us, as well as the client's that have utilized our "Pay It Forward" program to you both. Paying it forward is a philosophy that we subscribe to as a company. I firmly believe that after you spend time "getting know us" collectively, you will understand our philosophies and motivations. We are not a "modification" company. A deeper consideration into our missions and goals for our communities and individual clients, reflect this.

Thank you again for your time!

Sincerely,
