20 services we offer and that there's NO GUARANTEE that the
21 servicer/investor will accept the work-out packet being proposed
22 and that the fees are NON-REFUNDABLE.

2 Isauro Hernandez coordinates with me and he brought the
3 documents to our office for review of possible: TILA/RESPA/HUD-1
4 violations. During my review process, I have discovered some
5 questionable information on their loan application and clarifies
6 it out to Isauro Hernandez that the loan that they obtained is
7 too high for their income. They can afford to buy a house that

They were making less money at the time they bought the house. This is almost 50% of their income goes to the house payment and A.J. Johnson, the Realtor must have performed the proper prequalification for the buyer so they won't be facing financial hardships and foreclosure.

17 A.J. Johnson who is the Realtor again for the short sale. I
18 told Jacqueline that I have worked hard on this case for over a
19 year, got them an approval, now; they want their money back?
20 So, I asked Isauro Hernandez if he is willing to work for "free"
21 and he said "NO". I have explained that I have done everything
22 from my part to save the property and yet they rejected the
23 offer; at the time that the case is open with us, NO-NOD, NO-
24 sale date, No-eviction Notice has been entered against them.

2 They saved almost \$18,000.00 for not paying their mortgage, and
3 I'm sure they were very happy with that amount.

4

5 That on December 2, 2009 - I closed the case and returned
6 their documents

7

8 That on December 2, 2009 right after they left from my
9 office - A.J. Johnson called my office, screaming and
10 threatening me that she is going to report me to the police,
11 DA's office and all.

12

13 That on December 3, 2009 A.J. Johnson contacted Mark from
14 Design Financial. And the following morning I received a call
15 from Mark from Design Financial; he said "do you know the fuck
16 you are doing? You know what! I am a good friend of Shiela
17 Waldren from MLD and I am going to file a Complaint against you?"

18

19 That on December 4, 2009 - I faxed a letter to Sheila Waldren
20 from MLD Carson City regarding Mark, from Design Financial.

21

22 That on December 10, 2009 - I certified mail all the
23 remaining documents and pay stubs to Isauro and Jacqueline
24 Hernandez per their request.

25

26 That on December 15, 2009 - NOD has been filed at the
27 Washoe County Recorder which is a Public Notice.

28

29 That on January 6, 2009 - a formal complaint was received
30 from Las Vegas office, and Isauro and Jacqueline Hernandez
31 exhibited "falsified business card" violation of Federal
32 criminal law and obstruction of justice.

That on January 20, 2010 - I have faxed my answer to Las Vegas office and to Sheila Waldren of MLD, Carson City.

CONCLUSION

Isauro and Jacqueline Hernandez' complaint was procured by submitting falsified evidence and therefore should be dismissed with prejudice. This wrongful allegation is causing me emotional distress, public embarrassment and humiliation. I have lost a lot of prospective clients from this unlawful act of Isauro Hernandez and Jacqueline Hernandez.

As far as loan origination and purchased transaction is concerned, the criminals must be identified for a possible Federal law and State Compliance regulations and violations. How was the loan originated? How was the buying process procured? "Standard care" lender and broker should use the standard of care prior to approving the loan for which the borrowers was clearly not qualified and which ended the loan in default, as what happen to Isauro Hernandez and Jacqueline Hernandez. "Good faith" effort made or transaction done honestly and without a deliberate intention to defraud the other party. However, good faith does not necessarily mean without negligence. Also called "bona fides" and it is implied by law.

The loan documents must be audited for possible TILA/HOEPA/RESPA/HUD-1 violations.

1 Repayment ability: Engage in pattern or practice extending
2 credit subject to Section 226.32 to consumer based on the
3 consumer's collateral without regard to consumer's repayment
4 ability, including consumers current and expected income,
5 current obligations, and employments.

6 Short sale has been performed by A.J. Johnson and they
7 signed the Escrow with First Centennial on December 29, 2009? I
8 just closed the case on December 2, 2009, how can the Escrow be
9 closed in less than 30 days? Based on my research short sale
10 process could take a minimum of 3 months "straw buyer" involved?
