Who is required to be licensed as a mortgage company?

Nevada law defines a "mortgage company" as any person who, directly or indirectly holds himself or herself out:

- For hire to serve as an agent for any person in an attempt to obtain a loan which will be secured by a lien on real property;
- As being able to make loans secured by liens on real property;
- As being able to buy or sell notes secured by liens on real property; or
- Offers for sale in this State any security which is exempt from registration under state or federal law and purports to make investments in promissory notes secured by liens on real property.
- The term includes a wholesale lender.

If a person engages in any activities that would be considered mortgage company activities, they must be licensed as a mortgage company.

Requirements for Licensure

A person who wishes to be licensed as a mortgage company must:

- submit a completed application for licensure through the NMLS and pay the required fee.
- Demonstrate at least 2 years verifiable experience lending money for real estate or mortgages within the 5 years immediately preceding the date of application
- Include a financial statement of the applicant and, if applicable, satisfactory proof that the applicant will be able to maintain continuously the net worth required.
- Submit fingerprints to the Registry for each natural person who is a principal, partner, officer, director or trustee of the applicant which the Division may forward for submission to the Federal Bureau of Investigation.

The applicant will be issued a license if the mortgage company:

- has demonstrated financial responsibility, character, and general fitness to operate honestly, fairly, and efficiently
- Has not been convicted of, or entered or agreed to enter a plea of guilty or nolo contendere to a felony in any court within the 7 years immediately preceding the application date, or at any time if such felony involved an act of fraud, dishonesty, or a break of trust, moral turpitude or money laundering.

- Has not made a false statement of material fact on the application
- Has never had a license or registration as a mortgage loan originator, mortgage company or residential mortgage loan originator revoked in any jurisdiction or had a financial services license revoked within the immediately preceding 10 years
- Has not violated any provision of NRS 645B.

Compliance

It is unlawful for any person to offer or provide any of the services of a mortgage company or otherwise to engage in, carry on, or hold himself or herself out as engaging in or carrying on the business of a mortgage company without first obtaining the applicable license issued pursuant to NRS 645B unless the person:

- Is exempt from the provisions of NRS 645B, and
- Complies with the requirements for that exemption

For more information on compliance, please contact the Division at 702-486-0782 or email questions to MLDinfo@mld.nv.gov.
